## INTRODUCTION

**FENG PEI CO., LTD.** located in Taiwan and established in 1990. We specialize in manufacturing and exporting various fastener machines. We have complete experience in fastener industry and sold more than 2,000 machines to worldwide. The following products and service are what we supply and provide:

### **1. COLD FORMING MACHINE:**

1Die 1Blow / 1Die 2Blow / 2Die 3Blow / 2Die 4Blow Heading Machine, Threading Machine, Bolt Former, Nut Former, Part Former, Tapping Machine, and Bi-Metal Heading Machine, etc...

### **2. OTHER FASTENER MACHINE:**

Nail Making Machine, Screw Washer Assembly Machine, Blind Rivet Assembly Machine, Secondary Operation Machine, Wire Drawing Machine, Wire Pointing Machine, Grinding Machine, Head / Shank Slotting Machine, Self-Drilling Machine, and Sorting Machine, etc...

### **3. TOOLING:**

We provide best quality punches, pins, thread rolling dies, carbide dies, punch case, fingers, trimming die, and full set of tooling for cold forming machine. We also provide consultation for tooling design.

Feng Pei's reputation spreads quickly from Asia to North American, South America, Europe, Middle East and now we have customers all over the world. As our customers are deeply reliable on our professional knowledge and are satisfied with our service.

To achieve our goal is providing our best service to customers continually; our team is always consulting and providing the products which are according to their need. We pay full attention to each process and are efficient on production, the after-sales service is well carefully to each customer.

Please do not hesitate to contact us if any inquiry. We will be very pleased to work with you together in the near future.

## INDEX

Multi-Station Bolt Former / Nut Former	2	Sorting Machine / Precision Internal Grinding Machine	
1Die 1Blow / 1Die 2Blow Heading Machine		Four Shaft Roller Screening Machine	14
Bi-Metal Connector Heading Machine	3	Vertical Type Wire Drawing Machine	
2Die 3Blow Heading Machine		Metal Swaging Machine / Wire Pointing Machine	
2Die 4Blow / 3Die 6Blow Bolt Part Former	4	Hydraulic Wire Rod Straightener	
Open Die Heading Machine		Hydraulic Crimping Tools	15
Secondary Operation Machine	5	Barbed Wire Machine	
1Die 2Blow Semi-Tubular Rivet Heading Machine		Chain Link Fence Machine	
Blind Rivet Heading Machine		C type Perforated Metal Machine	
Nail Making Machine		Collated Nail Machine	16
Blind Rivet Assembly Machine	6	Hopper / Chip Separator / Conveyor	17
Mini Former / Mini Heading Machine		Centrifugal Oil Cleaner	
Mini Threading Machine	7	3-Dimensional Vibratory Finishing machine	
Threading Machine	8	Washing Machine / Dehydration De-Oil Machine	
Tapping Machine	9, 10	Mist Collect / Dehydration Dryer Machine	18
Screw Washer Assembly Machine	11	3D Rotational Wire Bending Machine	
Self-Drilling Screw Forming Machine		CNC Spring Making Machine	
Slotting Machine	12	Metal Strip Forming Machine	19
Straightening Machine / Thread Rolling Machine	13	Carbide Die and Tools	20

Multi-Station Bolt Former / Nut Former

**1Die 2Blow Heading Machine**

**Bi-Metal Connector Heading Machine**

**1Die 1Blow Heading Machine**

**2Die 4Blow Bolt Part Former**

**3Die 6Blow Bolt Part Former**

**2Die 3Blow  
Heading Machine**

**Open Die Heading Machine**

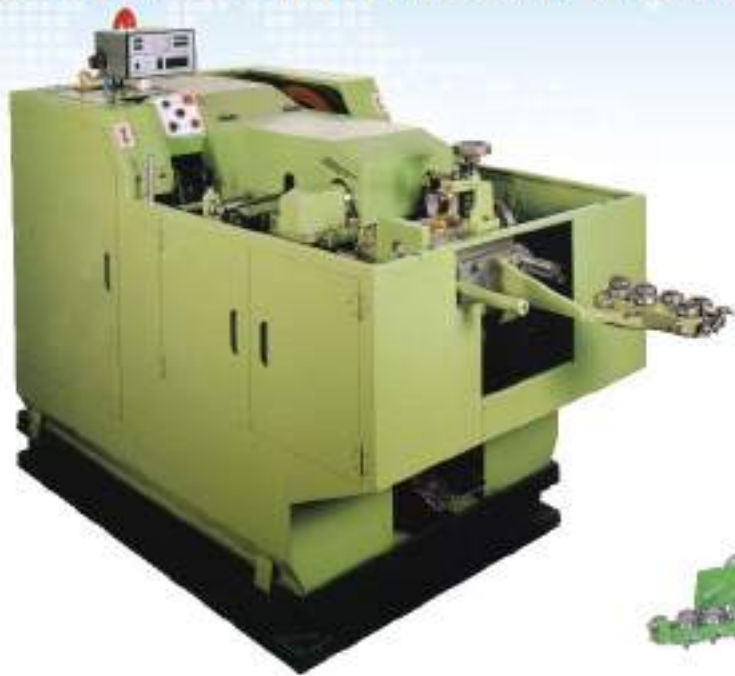

**Automatic Secondary Operation Machine**

**CNC Secondary Operation Machine**

**1Die 2Blow Bush Cut-Off  
Semi-Tubular Rivet Heading Machine**

**Blind Rivet Heading Machine**

**Nail Making Machine**

**Blind Rivet Assembly Machine**

大同マシナリー株式会社 技術提携

Mini Former

Mini Heading Machine
